

Grounding 101 (Handout)

Quick tools for regulation

5-4-3-2-1 senses: name 5 things you see, 4 feel, 3 hear, 2 smell, 1 taste.

Orienting: slowly scan the room, name objects and colors; keep eyes open.

Paced breathing: inhale 4, exhale 6 for 2–3 minutes.

If you feel worse with eyes closed or body-focus, switch to external grounding.
